

For further information, call Matt Campbell, Superintendent or Cherri Fisher, Administrative Assistant, 330-627-6555.

School make-up days due to inclement weather were the topic of concern when the Carroll County Board of DD held their regular meeting on February 25, 2010. The preschool has 7 days to make up, 3 of which have been scheduled for 2/26, 3/5, and 3/19. These are Fridays and preschool is not normally in session on Fridays. The school-age program has 4 days to make up. At this point we are looking at using 3 days of the scheduled Spring Break for make up for both preschool and school age, and any remaining days will be added to the end of the school year.

In other business, the Board:

- learned several items on the 2010 Annual Action plan have already been addressed including: repainting of the front office at Carroll Hills Industries, a new van for transportation, security cameras at Carroll Hills Administration, a new copier at Carroll Hills Administration, and a new heating and cooling unit for the gym at Carroll Hills School purchased with stimulus money
- agreed to add 10 paid holidays to the 12 month pay scale, and 9 paid holidays to the 9 month pay scale which would be funded through stimulus money
- changed the hourly pay rate of the sub secretary from \$7.46 to \$7.52 and the sub custodian from \$7.30 to \$7.52
- voted to increase all substitute pay rates by 3% as warranted by 2009 Salary Survey information and funded with stimulus money
- adopted an Anti-Harassment, Anti-Intimidation, or Anti-Bullying policy as well as a Health Policy for Do Not Resuscitate (DNR) Orders

The next regularly scheduled meeting will be March 25, 2010.
