For further information, call Matt Campbell, Superintendent, or Cherri Fisher, Administrative Assistant, at 330-627-6555.

The Carroll County Board of Developmental Disabilities held their last regular monthly meeting of 2010 on Thursday, November 18th. Sadly, this was the last meeting for both Dolores Hudson and John Miller, whose terms expire December 31st. Mr. Campbell commented, "Both Dolores and John will be greatly missed. They have brought much wisdom and knowledge to our Board and will be very hard to replace." The Carroll County Commissioners will appoint new members to fill their vacancies. One new member must have a relative who is receiving adult services through the Board, and one can be any citizen of Carroll County wishing to volunteer their services. Anyone interested in becoming a member of the Board of Directors of The Carroll County Board of Developmental Disabilities should contact Cherri Fisher at 330-627-6555.

In other business, the Board:

- learned Mr. Campbell and Mr. Heaston attended training on progressive discipline, pay for performance, Family Medical Leave Act, and Fair Labor Standards Act;
- approved the revised Title XX Services Policy;
- heard there will be a Public Hearing for the 2011 Annual Action Plan on December 13th from 2:00 P.M. to 4:00 P.M. at Carroll Hills Administration building;
- agreed to continue to pay 90% of the employee health insurance for 2011
- learned the One Call Now system was tested on November 8th and 9th, and it worked quite well.

The next regularly scheduled meeting will tentatively be January 27th, 2011.
