At the Carroll County Board of Developmental Disabilities regular monthly meeting held Thursday, September 23, 2010, the Board members were told a community survey done September 20<sup>th</sup> through September 23<sup>rd</sup> was successfully completed by six employees despite internet problems and power outages. The Board contracts with Mid East Ohio Regional Council to conduct community surveys on existing Board services for satisfaction and community awareness. For those citizens gracious enough to complete the survey, the Board extends their thanks.

In other business, the Board:

- welcomed Sheila Mayle, food service provider at Carroll Hills School, who discussed personnel issues;
- learned Superintendent Campbell has enacted a waiting list for Carroll Hills Industries workshop due to space limitations;
- approved a Social Media Policy governing the publication of and commentary on social media by employees and;
- approved 9 families for Family Selected Services.

The next regularly scheduled meeting will be October 28<sup>th</sup>, 2010.
