At the regular April meeting of the Carroll County Board of Developmental Disabilities held April 26<sup>th</sup>, the Board heard Superintendent Matt Campbell report April 5, 2012 the Board was issued an accreditation certificate by the Ohio Department of Developmental Disabilities. The results of the review found that the Carroll County Board of Developmental Disabilities achieved substantial compliance with minimum standards and subsequently obtained a 4-year period of accreditation. A \$100,000 match letter was requested for the Commissioners attempt to obtain a grant to expand the Commercial Park treatment plant. The Board approved for such expense approximately 2 years ago when the Commissioners were applying for a grant to update the system based on a new building for nursing care. This \$100,000 will allow the school to have an updated treatment system and only pay a monthly usage fee. The current treatment system is 27 years old. Estimates were requested for new gym flooring. Staff has requested rubberized flooring instead of carpet which costs around \$24,000 instead of the approved \$15,000. Alicia has recommended moving forward with the new flooring and taking the \$15,000 set aside for awning to cover the additional cost.

In other business, the Board:

- Approved a resolution to request the renewal of the 1 mill Carroll Hills School Levy for the November 2012 election for a term of 10 years;
- approved a resolution to deed the Carroll Hills School property back to the Carroll County Commissioners;
- approved the Ethics Council Recommendation for 1 new application for Family Selected Services;
- approved payment of \$1,163.08 in the Hot Lunch fund;
- approved payment of \$76,489.17 in the Carroll County Board of DD General Funds account;

The next regularly scheduled meeting is Thursday, May 24, 2012 at 5:30 P.M. at the Administration Building.
