At the regular August meeting of the Carroll County Board of Developmental Disabilities held August 25<sup>th</sup>, the Board heard Director of Education Alicia Hall explain Project MORE which will be implemented at Carroll Hills School this year. Project MORE is a mentoring in Ohio for Reading Excellence program that is scientifically based, provides 1:1 volunteer instruction at individual student's reading level in grades K-4, and has shown month to month gains for students with disabilities. Carroll Hills will be looking for volunteers to be reading mentors.

Superintendent Matt Campbell updated the Board on topics such as the State's budget, statewide initiatives, county collaborative, privatization, and cost saving options. These were all discussed at the Ohio Superintendents of County Boards 2011 Summer Conference on August 17<sup>th</sup> – 19<sup>th</sup>.

In other business, the Board:

- Heard from Business Manager Ray Heaston about the history of Mid East Ohio Regional Council which is a council of government that includes 18 County Boards that share services.
- Approved the 2011 through 2012 contract between the Board and Carroll Hills Industries Board for day habilitation and employment services.
- Approved the student code of conduct policy.
- Approved the telephone use, device use, and security policy for Carroll Hills School.
- Accepted the bid from WCW Environmental Inc. for a pump station repair which includes two new sewage pumps, control panel, rail system, and piping for Carroll Hills School at a cost of \$12,700.

The next regularly scheduled meeting is Thursday, September 22, 2011 at 5:30 P.M. at the Administration Building.
