Carroll County referrals for home visiting and early intervention should call 330-616-3322. Carroll County Board of DD has been providing service coordination and early intervention since June.

The management team reviewed the 2014-2018 Strategic Plan. Goal #2 to increase community education and awareness of the need for Board services is currently being addressed by videos. The Board contracted with EM Media to produce 2 minute videos on Board services and successful outcomes. Please view the video about William Sutton's community employment on Carroll Hills Facebook. The goal is to release a new video each month.

Business Manager Ray Heaston reported the Board was notified of Ohio Public Employee Retirement System (OPERS) requirements that directly affect 9 month employees and the superintendent reporting of wages. 9 month staff will not receive OPERS service credit for the summer months that are not actually worked. Employees must have actual hours worked each month and earn at least \$630 each month in order to count toward pension and earn at least \$1,000 each month to count toward retirement health insurance benefits.
