The Carroll County Board of DD has an addendum to notice of privacy practices. Hickman & Lowder Co. L.P.A. attorneys at law recommended that all county boards amend their Notice of Privacy Practices due to the Ball v. Kasich lawsuit. The lawsuit is in the process of gathering information to be reviewed for possible use in the Federal Court proceedings. The process of gathering data will necessarily include Protected Health Information on individuals served by the Board, including private healthcare information for individuals who are not plaintiffs. The information is subject to a protective order which is compliant with HIPAA, FERPA, and other privacy rules.
