At the regular June meeting of the Carroll County Board of Developmental Disabilities held June 16th, the Board heard Superintendent Matt Campbell explain that he has had the privilege of filling in as the Service and Support Administrator Director while SSA Director Jan Clayborn is on medical leave of absence. He expressed his gratitude to the wonderful SSA staff of Lisa Erwin, Diana Strader, Shannan Boone, and Vicki Brumback who have helped ensure services continue in the absence of their Director. Service and Support Administration services is a critical job that ensures health and safety, crisis intervention, behavior support, day service, residential services, and other provider services that are identified in an individual service plan. SSA's have a weekly pager rotation to deal with any crisis and major unusual incidents.

In other business, the Board:

- approved two resolutions presented by Business Manager, Ray Heaston, one for Non Federal Share of Medicaid Expenditures, and the other for Family Support Services Funds from the Ohio Department of Developmental Disabilities;
- learned all five Board owned buses passed inspection on June 8th thanks to the contract with Carrollton Exempted Village School District;
- heard the job coach, development, and transition contract with Tuscarawas County is going well;
- approved a policy which will address that pesticide and herbicides can only be used at Carroll Hills School by a person holding a commercial applicator license.
