For further information, call Matt Campbell, Superintendent, at 330-627-6555. At the regular March meeting of the Carroll County Board of Developmental Disabilities held March 26 the Board heard from Superintendent Matt Campbell that The Ohio Department of Developmental Disabilities (DODD) Director Martin presented at the Ohio Superintendents County Boards of Developmental Disabilities Winter Conference on March 12, 2015. Director Martin reported that independent providers may still be paid under supported living, be hired directly by those served, or be hired by an agency. Medicaid will no longer pay for independent providers. DODD is working with Centers for Medicare and Medicaid Services (CMS) on a timeline when county boards will no longer provide services and case management due to the conflict of interest. Funding is being redesigned for employment and day services. In accordance with the CMS regulation, all settings that are funded by Medicaid waivers must offer opportunities for integration and access to the broader community. The degree to which each person's services occur in the community will be based on person-centered planning process.

In other business, the Board:

- approved payment of \$1,373.50 for February bills in the Hot Lunch account;
- approved payment of \$52,914.39 for February bills in the General Fund account;
- approved payment of \$10,925.20 for February bills in the Residential Services account;

The next regularly scheduled meeting is Thursday, April 23, 2015 at 5:30 P.M. at the Administration Building.
